(Messaging incorporated into the application process)

Student Denied – Financial Aid/Further Review

Dear {Student first name}:

Thank you for taking the time to apply for Higher Education Emergency Relief Funds (HEERF) through Northcentral Technical College. The purpose of this email is to inform you that your application has not met the eligibility requirements set forth by the US Department of Education and NTC that must be followed in order to award HEERF assistance.

Although we are unable to provide funds for you at this time, there remain numerous ways in which the NTC staff is available to assist you with support options that include:

NTC FOUNDATION LAPTOP SCHOLARSHIP PROGRAM
Students who are in need of a laptop and/or headphones, may apply for the NTC Foundation Laptop Scholarship. These are refurbished college laptops, which have been equipped with Adobe Reader, Chrome, FireFox, and Microsoft Office.

The application is currently open and turnaround is typically within three business days for students who are currently enrolled. Students are notified via their NTC student email. The application may be completed online:

Your bag will include a number of items from several categories including breakfast, fruits and vegetables, protein, pasta and soup, and miscellaneous.

If you attend classes at a regional campus, you can take advantage of Timberwolf Table services, too. Simply stop by the front desk of your preferred regional campus once a week, and they will provide you with a bag of non-perishable food items designed to provide food for a day.
