**Subject:** Tuition and Emergency Assistance Funds Available For Fall 2021 Term!

Dear NTC Students!

Students who are enrolled in the Fall 2021 term can apply for emergency assistance through the Higher Education Emergency Relief Fund III (HEERF III). Assistance is available to directly support students with demonstrated need who continue to face financial challenges due to the impact of COVID.

Students have the opportunity to apply for HEERF funds in two separate categories, with a maximum amount available in each:

- For expenses related to cost of attendance, including food, housing, course materials, technology, health care (including mental health care), and childcare, eligible students may apply by completing the *HEERF Emergency Assistance* link (found in your myNTC account under “Billing & Financial Aid.”)
- For outstanding tuition balances, eligible students may apply to have the funds directly applied to their NTC account balance by completing the *HEERF Tuition Assistance* link (found in your myNTC account under “Billing & Financial Aid.”)

Please note that students who have already submitted an application(s) for fall 2021 may have reached their maximum available in one or both categories. **Funds do not need to be repaid** and students will be notified via their NTC student email of their request status.

Additional details regarding the HEERF funds can be found by visiting <https://www.ntc.edu/covid19/heerf-ii-iii>

If you have any questions, please email [crrsaa@ntc.edu](mailto:crrsaa@ntc.edu).

Best wishes for your fall semester!

HEERF Team
